Public School Matters are in Sound Condition -- Hockey Gaining Ground at the Fort. (Bulletin Special Dispatch).

Fort Saskatchewan, Jan. 14.—The annual meeting of the Fort Saskatchewan public school took place in Langworthy hall at ten o'clock this morning with H. Wilson in the chair. After the annual business was over, came the election of two trustees. Mr. J. T. Caracadden having resigned and Rev. A. R. Aldridge, who was appointed trustee about a year ago to fill in Mr. Daniel's unexpired term. Mr. Daniel having resigned. The following nominations were then received: Rev. Mr. Aldridge, by acclamation to fill in Mr. Caracadden's unexpired term. Mr. W. G. Sher, H. E. Daniel and Rev. G. C. d'Easum were then nominated for the remaining vacancy. At the close of the poll the names stood as follows: Rev. G. C. d'Easum, 13, W. G. Sher, 11, H. Daniel, 8. The trustees for 1904 are as follows: H. Wilson, chairman; Rev. A. R. Aldridge and Rev. G. C. d'Easum.

Mr. Lindsay arrived on yesterday's stage train from Toronto to take a position in Sher and Company's store. The annual meeting of the O. L. N. 1641 was held in the Masonic hall last night.

Mr. d'Easum has erected a blacksmith and general repair shop opposite his livery and feed barn on Ross Street.

Quite an exciting game of hockey was played yesterday afternoon on Victoria rink by two chosen teams of our players. The Fort has the material for a first-class hockey team, which will be heard from later.

## GREAT FIRE AT CALGARY

### TWO HUNDRED THOUSAND DOLLARS DAMAGE

The Norman Block Completely Destroyed by a Most Disastrous Fire. (Bulletin Special Dispatch).

Calgary, Jan. 15.—The most disastrous fire in the history of Calgary broke out this morning shortly after midnight. The Norman block was completely and absolutely destroyed. It is estimated that the damage was not less than \$200,000.

The Norman block was owned by Senator Loughheed and is valued at \$50,000. In the upper story is the Norman theatre, which has just been completed and which was to be opened Tuesday night next.

The other losers are J. A. Glanville, drygoods store; William Robertson, clothing store; Sales clothing store; Kerr and Terrill, grocery store; D. J. Young, music store. The fire was still well under control when an engine gave out for a few minutes and the fire crawled over a wall and did the rest of the damage.

At one time it threatened the Montreal Bank and the Alexander block. Captain Smart of the brigade was very seriously injured by inhaling gas.

### JUDGE NEWLANDS

### CABINET CHANGES

#### SHUFFLE OF SEATS AT OTTAWA

Speaker Brodeur Becomes Minister of Inland Revenues and Bernier of Railway Commission. (Bulletin Special Dispatch).

Ottawa, Jan. 14.—Hon. M. E. Brodeur, minister of inland revenues, has tendered his resignation, and will be appointed a member of the Railway commission. Brodeur, speaker of the House of Commons, will become the minister of inland revenues.

It is probable that Rudolph Lemieux, M.P., will be made speaker, but this depends upon there being another session and not dissolution, which has not yet been decided upon.

### CURLING AND HOCKEY.

Only one game was played in the competition for the Calgary Brewing cup last night. Mackenzie and Pearson played a very close game. At the end of the twelfth end the score stood 9 to 9, and each rink had won six ends. The thirteenth end was played to decide the match and Pearson got the shot, winning by a score of ten to nine.

The games for tonight are: Rao vs. Campbell, Stewart vs. Taylor, Bellamy vs. Emery, Saturday night.

Forin vs. Kinnaird, Raymer vs. Cushing, Mackenzie vs. Giles.

The Calgary Albertan makes an attack on the Edmonton junior hockey team which is too ridiculously false to require answering. The writer of the article suffers his imagination to stretch to the following extent: "The Calgary men who played were really juniors both as to age and size. They are younger than the Edmonton men and they were smaller. And it is only fair to say that on the Edmonton team was a senior player and others who were old enough and big enough and strong enough to be on the team."

## SUPREME COURT HEARING.

The sitting of the Supreme Court has been opened in Calgary Tuesday morning. Chief Justice Kiffin presiding. Other judges were, Mr. Justice Wetmore, of Moosemin; Mr. Justice Fremdergast, of Prince Albert, and Mr. Justice Scott, of Edmonton.

The second case to come up was that of *Alvira vs. Robertson*. This was an appeal from the judgment of Justice Scott, of Edmonton.

The point to be decided by the court concerned the wording of a lease. The question at issue was whether or not the words used in the lease providing for the determination of the tenancy were applicable to the fixed term granted by the lease, or to the indefinite tenancy provided for, after the determination of the fixed term.

N. D. Beck, K. C., of Edmonton, appeared for the appellant and G. B. Edgewood, of Wetaskiwin, for the respondent.

At the conclusion of the argument judgment was reserved.

## RIVER NAVIGATION.

Capt. Coates and his partners who were formerly the Hazy River Navigation Company, are making excellent progress with the steamer they are constructing at Prince Albert. It will be taken to Edmonton early in the spring, and will ply from Edmonton to points down the river. It is expected that a very large trade will be worked up in this way, and if the venture proves a success other steamers will be constructed by these gentlemen as required.

They have given the order for the immediate construction of marine elpe, docks, wharves, workshops and warehouses, offices and for four and probably six brick houses for the partners in the company. These will be constructed on McDonald (late, the property owned by the W. H. Hooper Company). This in itself means a great deal to Edmonton. But as the company's business increases, additional and larger buildings will necessarily be constructed. The site of the company's wharves and warehouses is bound to be an exceptionally busy place the coming season.

## POULTRY AND PET STOCK.

The show which was to have taken place during this month has been postponed until February 15th and 16th as the association was disappointed in the judge. The gentleman who will judge the show will be the judge of the Winnipeg Poultry Show, which takes place on February 15th to 18th, who will proceed to Strathcona after his duties at Winnipeg are completed. The association is getting standard and up-to-date scope and everything seems to be booming with the association. The committee appointed for collecting subscriptions are out daily soliciting for this worthy cause. Lord Strathcona is honorary president and generously donated fifty dollars. Other prominent men have also done well by this newly organized association and together with the donations from the merchants on both sides of the river, the subscription fund is getting considerably swelled. But as the outlay is very heavy, being the first show of the association, the donations will be utilized as fast as they are subscribed. Anyone wishing to donate to this association can do so by writing the secretary, post office Box 131, Strathcona, or to any of the committee.

## ANOTHER KICK.

The Urquhart correspondent of the *Panama Herald*, writes to that paper as follows:—

"P. Talbot and Dan Gourlay, of Lacombe, attended the meeting of the Liberal association on January 2nd. Mr. Talbot explained the new local improvement ordinance. He was carefully listened to and answered a few questions. However, he failed to convince many of those present that the change would benefit the taxpayers in this district. We were satisfied that the new law would be no improvement over the old one when we first read it and Mr. Talbot failed to change our opinion. It increases the number of petty officials, who will be paid out of the taxes for riding around the country and other services which will not fill up any mud holes or cut down any muskegs. Every dollar of road tax thus diverted will mean an increase of taxes to the farmer or a damage to the roads. Without being allowed a word in the matter the people of this district after being organized four years and having the matter of road improvement well under way, must quietly submit to having their district discontinued and then go down on their knees to the assembly at Regina with a petition to be allowed to form another district composed of three other townships which have never been organized. It don't seem hardly right to me."

## TERRITORIAL IMMIGRATION.

It is expected that one of the largest immigration movements in the history of the Northwest Territories will occur next spring and summer. The Hon. G. H. Y. Bulger, of Regina, this morning, Mr. Bulger is the Territorial Minister of Public Works, and is in close touch with the progressive movements now on in the Northwest. This immigration will come mostly from the south and will settle along the railroads.

Mr. Bulger stated that within a short time he thought that schools would be established among the Denikobers who are residing in the Territories, and that scores of the children of these settlers would soon be learning to read and write the King's English. When asked regarding the condition of the Barr colonists, the visitor said that from all reports he had heard, these settlers were getting along very well and that no suffering had been reported among them so far this winter.

The election of officers for the present year resulted as follows:

## REVILLON FRERES.

No better time than the beginning of the year to tender our sincere thanks to our very numerous customers and to solicit a continuance of their patronage, and also predict that the present year will largely increase the number. We have been in the country only for a short time, but we are here to stay and our aim in the past has been to give the biggest value for the smallest money, and we intend to carry it out in the future.

### HERE'S A STARTER FOR 1904

#### FLOUR

Like everybody else we have sadly realised that through an unusual accident our wheat crop has been partly destroyed; this and the large immigration of last year, will increase the demand for flour far in excess of the possible local production. Under the circumstances the salvation to better our present situation was to look abroad, so we did; and we were fortunate enough to secure large quantities of flour at a comparatively low figure, of which we give the benefit to our customers and the public:

### HENCE DOWN GOES THE PRICE

1st Hungarian Patent, \$2.65  
 2nd Strong Bakers \$2.25 single bags  
 " " " \$2.20 in lots  
 3rd Assiniboia \$1.65 (grade next to Strong Bakers)

#### SPOT CASH

We guarantee our flour to be the best made, out of good hard wheat, from up-to-date mills.

**The Proof Of The Pudding Is In The Eating Of It.**

We have a car in and more will follow regularly. Bear in mind that this is not to run opposition to anybody but simply to supply our customers and the public with their daily bread like everything else in our stores, at the lowest possible figure. When coming for your flour do not forget to bring a list of all your wants. We can fill your order from beginning to end. We have the best and largest stock of Groceries, Dry Goods, Boots and Shoes, Ready Made Clothing, and Hardware, in the country.
